Sixty years ago, burst into life
Grew to be a sweet, compliant little child
Seventeen years fitting in well, then I
Had to rebel - Woodstock shook me

I say "No! I won't sit down!"
I say "Go to the edge of the world"
I say "No!" I go Boom! Boom! Boom!
I'm a baby boomer girl

Beardos, wierdos, chemical highs, then
Motherhood tamed me. Years flew by
Where did they go? Hello Gran! - Yes
A little bit'a mutton, but a whole lotta lamb!

I say "No! I won't sit down!"

Women are mature, girls have fun
Women sit & walk, girls strut & run
Women analyse, girls laugh & play
I was a feminist so I can be a girl today

I'm a boom, I'm a chick. I'm a chicka chicka boom
I'm a boom, I'm a chick. I'm a boom boom x3
BOOM! BOOM! BOOM!

Gonna Boom! Boom! Boom! on the radio
Take the world by storm on video
Gonna rage in a rock band, misbehave
Gonna dance to my coffin and sing in my grave!

I say "No! I won't sit down!"
I say "Go to the edge of the world"
I say "No!" I go Boom! Boom! Boom!
I'm a baby boomer girl
I'm a Boom! Boom! Boomer Girl!
